General to him.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

1990

1. The first part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation
